NOTE FOR: D/OPPA  
FROM: DD/OPPA  
SUBJECT: Space Policy

The meeting announced in the attachment was held with [redacted] and myself in attendance. [redacted] raised a number of good Intelligence Community policy issues that would merit further study. After about 1/2 hour of discussion, a consensus was reached on the following points:

25X1  
25X1  
25X1

- It would be very beneficial if the IC Staff could have a representative on the Drafting Group. [redacted] of the NRO will be assigned but he will undoubtedly have a slightly different viewpoint than we would. It is still possible that [redacted] can do what we need at something much less than 50 percent of his time. We will continue to hold this option open pending your return.
- An Intelligence Community review of space policy issues appears to be desirable. As a next step, [redacted] volunteered to prepare the draft terms of reference for this review to include the issues to be considered, the schedule and organization. [redacted] agreed to circulate this draft by the end of next week (11 September).
